

Better Care for My Patients

More Revenue for My Practice

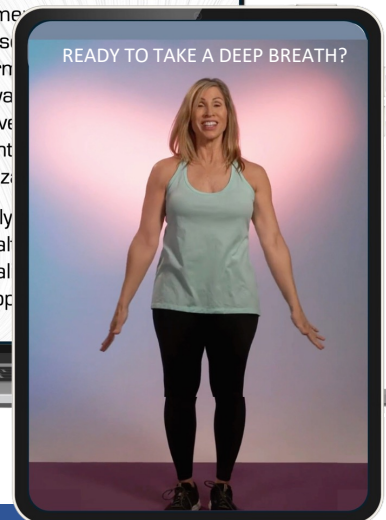

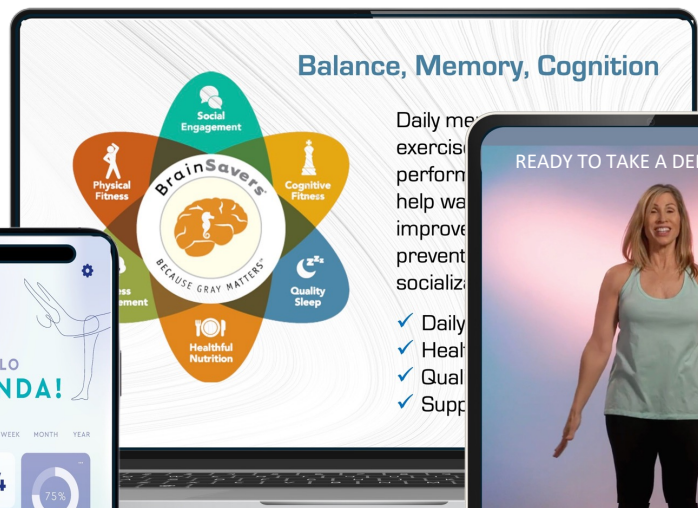

Our virtual care platform engages patients to help them manage their health and provides physicians advanced notification of impending problems

"I'm providing better care for my patients, reducing workload for my staff, and I substantially increased my practice revenue."

- No upfront cost – No equipment charges
- No long-term contract – No device charges
- Improved patient care
- Reduced hospital admissions
- No additional work for your staff
- **Improved RAF scores and STAR ratings**
- **Comply with CMS MACRA-MIPS**

**PAID FOR BY MEDICARE PART B
& ADVANTAGE PLANS**
Engages Patients in Pro-Active Self-Care
We Provide In-Office Engagement Materials

More revenue for my practice
